

ORTHODONTIC PRICES

As every patient will have different needs and treatment requirements, prices quoted are all start from prices, your treatment and your price plan will be agreed in written form, prior to beginning of the treatment.

Time scales are also determined by your specific needs and can only be decided once you have your initial consultation with our specialist orthodontist.

Dr. Andrea Stecova Palovcikova has been practicing orthodontics for 25 years.

Dr. Andrea has been accepted onto the Specialist Register with the GENERAL DENTAL COUNCIL and is now offering her services from our practice here in Walsall.

Dr .Andrea uses the newest methods in orthodontic therapy.
